

## VENDOR/ASSOCIATE MEMBERSHIPS

**LANDLORDS OF BLACK HAWK, INC., PO BOX 742, WATERLOO, IA 50704, PH (319) 235-2872**

Several years ago, we began offering Vendor/Associate Memberships to vendors. This has turned out to be a mutually beneficial arrangement for regular members and associate members. Vendor/Associate Membership dues are equal to the regular membership dues, \$60 per year. If you are both a landlord and vendor, you should join as a regular voting member.

We are an extremely active organization of Landlords and Managers of rental property. Serving as a nucleus and founder of the state organization, Landlords of Iowa, Inc. in 1989, we arranged the first three state conventions in Waterloo. We have remained active leaders in the state organization which has 14 chapters and about 1,000 members.

Presently our local membership of about 180 represents over 200 individuals and several thousand rental units.

Business sized ads are available in our monthly newsletter for \$48.00 per year. For \$200 per year, vendor members can place a business logo on **blackhawklandlords.org** which will appear on every web site page.

You may choose to offer discounts and/or specials on any of your products or services. We invite you to attend our monthly meetings where we all can become better acquainted. You may hand out flyers, display merchandise or services, offer door prizes or make brief announcements to us about your business.

To join, please complete this application. Mail it along with your check. Enclose a business card if you also wish to advertise monthly in our newsletter. The Board will review your application for a nonvoting membership. When approved for membership, you will receive a list of members and our monthly newsletters.
